missionary movement to take the gospel to the whole world. We believe that this is the reason that we exist. Some of our members have felt the call of God to share the gospel in another context. Jesse, John, and Birdie Koski are leaving Bangalore, India. They are now a part of the International Mission Board—the sending organization of the Southern Baptist Convention.

There are two items that we want you to have today. One item is a prayer card with the Koskis picture on it. Please post this card in a prominent place of your home or office to remind you to pray for them often. The other item is a little booklet called "10 Days of Sacrifice." This little booklet emphasizes the sacrifice of the people that Koskis will be serving. As the Koskis began their mission service, the very least that each of us can do is take 10 days to sacrifice about our own sacrifice for the glory of God.

Welcome those who are guests at our home. We look forward to meeting you and making you feel "at home." If you are new to First Baptist today, we would like to invite you to come to the Information Center to receive personal information about the ministries of our church. In addition, we would request that you complete the guest registration card attached to this bulletin. You may drop that card into the offering box or drop it off at the information center.
